5/2/21

Dear P7 parent/s,

The application process for P7 children transferring to post primary school in September has moved online. Please note this is a major change from previous years when paper forms were completed and submitted via the primary school. You can apply online via the EA website between **12.00 noon on Monday 1st March 2021 and 4pm on Tuesday 16th March 2021.**

At this time, I strongly encourage you to visit the EA website on the link below and view the admissions criteria of the local schools. This is particularly important this year as many schools have made significant changes to their criteria. Viewing these now will allow you the time to collect and prepare for the upload of any information which is required in the admission criteria of the schools that you intend to nominate. There is also a useful promotional video on this link explaining the online admissions process.

Please note that a copy of your child's birth certificate should be uploaded with the online application as this is required by all schools.

EA link: <https://www.eani.org.uk/parents/admissions>

The EA is also in the process of producing a step-by-step walk through on how to complete the online application and when this is available can also be accessed via the link.

If you feel you need any support with the online application process, please do not hesitate to contact the school.

Kind regards,
Louise McKnight
