6.30pm	All other cast members should arrive no later than 6.30pm.

Collection Times

At the end of both shows the children will leave the stage during the finale and will be brought back to the school where they will get changed and hang their costumes up.

For safeguarding reasons, only school staff will be allowed in the classroom areas of the school.

When the children are ready they will be dismissed at the back entrance of the school (at the P1 classroom door) at around 8.30pm.

If you are attending the show and are in the school hall afterwards your child/children can join you when they are changed. **Please ensure that your child/children know what your collection arrangements are i.e. do they go to the hall or wait at the back entrance of the school.**

School Draw

A draw will take place on both nights of the shows. All funds raised from the draws and the ticket sales will support the running costs of the performance.

As there is a finale procession at the end of both shows, the draws will take place at 7pm each night. Cloakroom tickets will be sold before the shows and prizes can be collected at the end.

Thank-you to everyone who has donated generous prizes for the draw.
